

## The Church Worship & Audio Workshop

Do your Worship Team, Choir, and Audio Team need to be better equipped to serve your church? If so, then consider hosting ***The Church Worship & Technology Workshop***. Here's how we can assist you:

### A Typical Day Event

Establish a day and time for your event. Preferably a Saturday, from 9am to 3pm or whatever works for you. Lunch is provided by the host church.

### Topics

- A. Building a Solid Worship Team and Choir: Laying the Foundation
- B. The Ministry of the Worship Team and Choir
- C. Prophetic Worship
- D. The Role of the Worship Leader/Minister of Music
- E. Sanctuary Sound: Understanding the Fundamentals of Audio Equipment

The cost for this Workshop will be structured so it's affordable for the host church and attendees.

Blessings,  
Min. Michael
